

National Online Dialog on e-Navigation

Provide your ideas on the future of e-Navigation!

The [U.S. Committee on the Marine Transportation System](#) is conducting a national online dialog on e-Navigation through 28 February 2013. This dialog is being undertaken by the [CMTS e-Navigation Integrated Action Team](#) (e-Nav IAT) as part of its strategic outreach to partners and stakeholders concerning the future of e-Navigation as outlined in the CMTS e-Navigation Strategic Action Plan.

To participate in this important conversation on the direction of e-Navigation in the United States, go to

<http://enav.ideascale.com>

Comments provided in this dialog will be considered by the CMTS e-Nav IAT in the ongoing development of this interagency group's work plan and recommendations. An analysis of the feedback received through this outreach effort will be made available at the conclusion of this dialog on the [CMTS website](#).
