Preparing Veterans for Better Jobs
VETS Mission

Veterans

We prepare our separating service members to transition from the military to the civilian workforce.

We provide our veterans with the critical resources, expertise, and training to assist them in locating and obtaining meaningful careers.

We protect the employment rights of the men and women who serve this Nation.

Employers

We promote the hiring of veterans through outreach to and partnership with employers.

Opportunities to minimize and fill qualification gaps

- Minimizing Gaps – Ensuring credit for competencies gained through military experience and training
  - National Governors’ Association pilot under the VOW Act
    - Six states looked at their licensing requirements for civilian occupations having close military counterparts
    - Report is expected this summer
  - Promote awareness of tools to help service members and employers match military experience to civilian jobs (e.g., http://www.careeronestop.org/ReEmployment/veterans/default.aspx)
  - Encourage alignment between military training & experience; service documentation of such training & experience; and the qualifications & credentials required for civilian occupations. Common language is important.
